M. J. JONES, Secretary and Treasurer.

REPORT OF THE BOARD OF MISSIONS.

We note with deep gratitude and thanksgiving the great advancement of our work in the foreign fields. The open doors are opening wider, opposition is weakening, the success of our efforts is more gratifying and the inadequate support given to this most important work of our Christianity in the face of such a crying need and an abundant prosperity on the part of our people is truly appalling. God is marvelously blessing our efforts, but woe be to us if we do not at once double and quadruple these efforts.

Great material development has taken place in our mountain counties which are for the most part our home mission field. Railroads have been built and mines opened up. Development on a gigantic scale is going forward in this great section of our State in iron, coal, lead, oil, gas and timber and above all in a great body of Anglo-Saxon people whose inherent greatness waits the touch of Christ in heartfelt religious experience to manifest itself.

Two points in this territory, London and Burnside, became self-supporting this year.

We are planning a great forward movement in this work for next year, and expect the hearty and enthusiastic support of our people in carrying out our plans.

We thank Dr. John M. Moore, our home department secretary, for his presence, counsel and addresses, which have so greatly aided us in solving our problems; and congratulate him and his co-laborer, Mrs. R. W. McDonell, upon the success of the various departments of the home mission work under their wise direction.

We are grateful to the General Board of Missions for their appropriation of \$2,250 to assist us in our mountain work.

We, your Board of Missions, recommend:

First, that the every member canvass be pressed in every charge in the Kentucky Conference during the month of November.

Second, that we endeavor to reach a minimum of sixty cents per capita.

Third, we respectfully request of the presiding elders of the various districts, that missionary institutes be held in the several districts prior to November.

Fourth, that the collection taken in the Sunday schools for missions shall not be put into the regular Conference collections for missions, but reported wherever practical as a surplus or a special.

Fifth, that our people read, digest and act upon the plans and advice laid down in the booklet, "A Financial Method for Methodists." And that each layman leader or pastor supply the people with this booklet.

Sixth, we respectfully request the appointment of P. C. Eversole Conference missionary secretary. Dr. C. C. Fisher desires to continue the support of a native Korean preacher and pledges \$100 for this purpose.

We request early collections for missions, the claim for home missions in November, the claim for foreign missions not later than March.

B. C. HORTON, Chairman.

P. C. EVERSOLE, Secretary.

REPORT OF THE COMMITTEE ON THE LAYMEN'S MISSIONARY MOVEMENT.

Your committee begs to report that there was presented for our consideration "A Financial Method for Methodists," prepared by the Laymen's Missionary Movement of our church and approved by the General Secretaries of all our connectional interests.

We find the plan to be an adjustment of the methods of the Laymen's Missionary to the general enterprises of the church. It strictly conforms to the action of the General Conference of 1910 and aims to carry into practical operation the provisions of the Discipline in regard to the movement.

After a careful examination of the plan and the results achieved in places where it has been faithfully tested, we heartily recommend that at the beginning of the new conference year a special effort be made to put it into effective operation in every congregation within the bounds of the Kentucky Conference.

Feeling that the 46 cents per member contributed by the 29,000 Southern Methodists of this Conference during the last year for the cause of missions at home and abroad is an amount utterly inadequate to meet the growing needs of either the Home or Foreign field, we do earnestly recommend that the Kentucky Conference fix as the goal for which it should strive during the coming year, the raising of at least \$17,500.00 for Home and Foreign Missions, and we hereby pledge our hearty co-operation with our Conference Board of Missions, our presiding elders and pastors, in an honest effort to realize the above objective.

As means for awakening and fostering the interest of our laymen in the great connectional enterprises of our church, we respectfully request our presiding elders to so arrange their District Conferences that the second day in each conference may be known as Laymen's Day and be devoted to the discussion of the subjects above mentioned and that the dates for holding the District Conferences follow one another in such wise as to permit the attendance of our connectional secretaries and other church officers with the least expense and loss of time.

That we heartily urge the united effort, on the part of our pastors and laymen in all efforts which have for their purpose the fulfillment of the recommendations contained in this report.

We submit to this Conference the following named brethren for officers for the ensuing year:

Conference Leader, W. W. Ball; Conference Vice Leader, R. M. Smith.

Respectfully submitted,

J. L. GAUGH,

J. ANDREW CAIN,

Committee.

REPORT OF THE BOARD OF CHURCH EXTENSION.

Your Board of Church Extension takes pleasure in reporting a year of substantial growth in the work committed to its care.

We feel, however, that there is still a lack of appreciation on the part of our people of the importance of this great arm of the church. They do not readily take in the significance of the fact that in the twenty-nine years of our history as a Church Board, aid has been given to over eight thousand churches—almost one-half of the total number owned by the church. Very many of these would never have been built had it not been for the aid and inspiration given them by this board.

Of the two hundred and ninety-three churches in our own Conference, one hundred and twenty-four have been built with the aid of the Church Extension Board. We have yet in our bounds sixteen unhoused congregations.

The Loan Fund feature of our work is justly growing in popularity. By action of the last General Conference we now have Loan Funds directed by Conference Boards. Your own Conference Board is doing some effective work with a small but growing Loan Fund. A Church Extension Loan Fund is a perpetual motion scheme that is actually practical. Once provided, it does its work over and over again. Let us preach it up to our people.

We desire to call the attention of our pastors especially to the Sunday School Loan Fund provided through birthday jars. These jars are furnished free of charge by the secretary's office in Louisville. They afford an easily workable plan for raising funds, and offer a ready text for preaching Church Extension in the Sunday schools. In this connection note also that maps, charts, tracts and all literature desirable for promoting interest in this work can be gotten free of cost from the office of the General Board in Louisville.

In the year just closing the Conference has paid \$3,027.44 on an assessment of \$4,425, which is an advance, both in amount and per cent, over any previous year. Though as to percentage of assessment raised we still stand low in the list of Conferences—ours being but sixty-eight per cent of the assessment.

At our present session aid has been granted to churches as follows:

Oakland Mills, Nicholas County	\$ 300.00
Worthville, Carroll County	200.00

Lykins, Magoffin County	125.00
St. Luke's Church, Covington	300.00
Polly, Letcher County	100.00

'At the request of the church at Middlesboro the loan made to them last year was extended for another twelve months.

The rapid growth of our mountain work is sure to make large demands on our resources in the near future. Let us be ready for the opportunities as they arise.

We desire to express our appreciation of the presence and counsel of the secretary of our General Board, Dr. W. F. McMurry. His work is our work and we pledge him our hearty cooperation.

Our total assessment for the coming year is \$4,691—distributed to the districts as follows:

Covington District	\$ 816.00
Danville District	720.00
Frankfort District	750.00
Lexington District	825.00
Maysville District	820.00

REPORT OF THE CONFERENCE BOARD OF EDUCATION.

It is not the purpose or province of this board to enter into the controversy concerning Vanderbilt University; but firmly believing it to be the property of the church, and rejoicing in its past usefulness and greatness, and in its future promise, we encourage our young men to avail themselves of its superior advantages. Especially do we urge upon the young ministers, and the more mature also, the use of the Correspondence school.

We rejoice in the enlarged usefulness and efficiency of our General Board of Education, and make grateful mention of their conditional appropriation of \$1,000 to our College Library Fund.

The statistics of our Kentucky Wesleyan College are as follows:

Teachers, 9; students, 155; value of property, \$100,000; notes, \$60,-654.17; bank stocks, \$6,015; cash, \$331.86; total, \$67,001.03.

We recommend that the assessment for Conference education be made the same as last year, viz: \$5,000, and we insist that more diligent effort be made to collect it in full.

J. P. STROTHER, Secretary.

REPORT OF THE BOARD OF EDUCATION OF KENTUCKY WESLEYAN COLLEGE.

The resignation of President John J. Tigert, after two years of efficient service for the college, threw upon the Board of Education the responsibility of selecting and securing a new head for the institution. The election of Rev. J. L. Clark to this responsible and important office, by a unanimous vote of the board, has met, we think, with universal favor throughout the Conference. He knows the field and is known by his brethren, and his leadership should be cordially supported by every pastor and layman within the Conference.

We would also emphasize the fact that not only is the new president worthy of support, but so also is the school. It has a capable and experienced faculty, honest and thorough class room work, and positively religious influences and activity and the cardinal virtues. Then, too, we need to be reminded that the Kentucky Wesleyan College is the most important and valuable possession of the Kentucky Conference. Is it not strange that we need to urge support of our own property and institution.

We deplore the fact that the enterprise to secure the new library was so feebly carried forward the past Conference year. We are glad, however, to announce that amounts realized from different sources, bring the total up to a point where \$1,500 additional will complete the \$15,000 necessary to secure a like sum from Mr. Carnegie. At the session of the board held Thursday evening, September 14th, 1911, it was decided to bring the matter before the Conference at this time, and secure, if possible, the \$15,000.

The board at the same session passed the following: "Resolved, That all competitive athletic intercollegiate games be forbidden, both as concerns college teams and individual non-resident students of Kentucky Wesleyan College. This does not apply to games among the students themselves on the college campus."

We recommend that each pastor become a solicitor for students within the bounds of his charge. We also emphasize the duty already imposed by the Discipline, of preaching upon Christian education. It is a matter of congratulation that the opening of the college on the 12th inst. was encouraging and that the prospects for the year are good.

J. P. STROTHER, Secretary.

REPORT OF THE EPWORTH LEAGUE BOARD.

Your committee begs leave to submit the following report:

The Epworth League is eminently fitted to develop the youth of our church. Its departmental activities contemplate spiritual, intellectual, social, practical and missionary development. It provides for systematic and thorough training and consecrated service—an intensive and extensive christianity. While pre-eminently for the young, it is equally fitted for older persons. It is adapted to the divine purpose of presenting every man perfect in Jesus Christ, thoroughly furnished unto all good works. It is worthy of a larger place in our church work and a more diligent application to the supply of our needs.

Your committee has carefully considered the annual report issued from the central office, and would emphasize certain features. We note with delight the record of growth. "The general minutes for 1910 reported 4,414 leagues, an increase of 347 chapters; and 142,724 members, a small decrease in membership. During the year that has elapsed since my previous report to the annual conferences we have chartered 120 Junior Leagues, with a membership of 3,557; eleven Intermediate Leagues, with a membership of 159; fourteen Boys' Leagues, with a membership (estimated) of 240; 225 Senior Leagues, with a membership of 5,860; being a total of 370 leagues, with 9,816 members. Besides these, a large number of charters have been renewed to once disbanded leagues."

We would emphasize the tremendous importance of the Conference Epworth League Board, "as constituting an agency of great value for the propagation and supervision" of the work.

While encouraged by the financial aid rendered, we regret the lack of funds to adequately finance the movement. The full collection of the ten-cent assessment would easily supply all demands.

We are encouraged by the prosperity attendant upon the work of the league in the various lines of work, especially the Cuba Special Movement, "that the league undertake the entire budget of the Cuba Mission for 1912, amounting to \$50,000, including advance work." This furnishes a worthy objective which should prove a stimulus.

With gratification we note the development of organized Epworth League work within the bounds of the Kentucky Conference, through the persistent efforts and wise management of the president, Rev. T. W. Watts, and his associates of the Epworth League Council. Therefore Resolved, 1. That the organization, wherever practicable, of an Epworth League in every pastoral charge that is now without one, be undertaken.

2. That every pastor should thoroughly inform himself until all shall recognize the league as an important part of the M. E. Church, South, and he himself become a transmitter of Epworth League intelligence.

3. That every presiding elder's district be organized into a district

Epworth League Conference in accord with the recommendation of the General Board, and that an Epworth League Institute be held yearly in each district.

4. That we urge and endeavor to secure the ten-cent assessment, this being an imperative necessity to the enlargement of the work.

5. That we make strenuous efforts to have full delegations at the annual meeting of the Kentucky Conference Epworth League at Cynthiana, Ky., June, 1912.

6. That we encourage the largest response to the Cuba Mission Special. Also to the raising of the \$50, voted by the Kentucky Conference League for the purpose of securing a Junior superintendent.

J. W. CRATES, Chairman.

E. K. ARNOLD, Secretary.

REPORT OF THE SUNDAY SCHOOL BOARD.

Recognizing the Sunday school, not only as the teaching department of the Church, but also as our most fruitful evangelistic field, and conceding the pastor to be the "key-man" in every charge, we urge the claims of the Sunday school upon the time and constant efforts of our pastors.

We take pride in commending our literature and note with pleasure its increased circulation. We recommend the new Graded Lessons, especially for the Elementary Department.

We consider The Wesley Adult Bible Class the best means of reaching, holding and developing men. Every Sunday school and charge, indeed every community, will be strengthened by the organization of such a class; every class should be enrolled with Dr. Bulla at Nashville.

One chief need being that of trained teachers, we recommend the establishment in every school of a Teacher Training Class, composed of prospective teachers, to meet at the regular Sunday School hour, studying the special course instead of the regular lesson, taught by the pastor or some other competent person.

Our General Sunday School Board having issued a call to every school in our connection to observe Rally Day the third Sunday in October, or as near thereto as possible, and to devote their offerings of that day to the building of a Model Sunday School Building at our new Southern Assembly at Waynesville, N. C., the details of which have been fully set forth in a letter sent to every Superintendent, we call upon our pastors to see that this is done.

Children's Day should be observed in every school.

Every pastor, superintendent and delegate from every school should attend the Kentucky Sunday School Convention at Louisville, October 19-22, 1911.

We desire to call attention to the fact that the six District Conferences have passed resolutions requesting the Sunday School Board of the Con-

ference to put a Field Secretary in the field, in obedience to paragraph 249 of the Discipline. The Board is committed to this plan. We therefore respectfully request the Conference to co-operate with the Sunday School Board in placing a suitable man in the field whenever such a man can be found by the Board.

Resolved that the first night of the next Annual Session be set apart for the Sunday School Anniversary. Respectfully submitted,

C. H. GREER, Chairman.

G. D. PRENTISS, Secretary.

REPORT OF THE AMERICAN BIBLE SOCIETY BOARD.

The Authorized Version of the Bible held its place among the English speaking people, without a rival, for nearly three centuries. In spite of numerous recent rivals, it still holds its place among the common people. This version, without note or comment, the American Bible Society has for years, and still continues to issue so cheaply as to put the Scriptures within the reach of all. The British and American mission-

aries have used it as a basis for the translation of the Scriptures into some three hundred languages and dialects.

The Society has, this year, through an efficient colporteur, distributed hundreds of copies of the Scriptures through the mountains of Kentucky. Your Board recommends the assessment of \$500 on the Conference for the coming year for the benefit of the Society.

J. W. HARRIS, Chairman.

S. H. POLLITT, Secretary.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

Your Committee on Books and Periodicals report as follows:

We would strongly emphasize the need of careful and prayerful training both of the mind and of the soul. We therefore earnestly beg that not our preachers only, but our people as well, exercise great oversight as to what literature is read or allowed to be read within their homes.

We recommend the use of our own books and periodicals because we regard them as safe and sound and also worthy a place in our homes. As they are trying to give us books and papers that we can with safety put into the hands of our families, so we would urge a fuller and better patronage on our part.

Our own and only Conference organ, The Central Methodist-Advocate, under the editorship of Dr. E. G. B. Mann and Prof. D. W. Batson, we esteem to be the equal of any Conference organ in the connection. It is sane and safe as to its editorials and selected articles; it is unobjectionable as to the class of advertisements it carries; it is helpful to the young and inspiring to the older ones. It should have a much wider circulation among us.

Our papers at Nashville are high class religious literature and reflect honor upon our church. The Quarterly Review is ably edited by Dr. Alexander. The Christian Advocate, under Dr. Ivey, is worthy our best support. The Missionary Voice under its competent editors, gives inspirational knowledge concerning the missionary enterprises both at home and abroad. Our Sunday school literature is splendidly taken care of by Dr. Chappell. The Epworth Era is a paper much needed in every League chapter. Dr. Parker and his assistant are making it an almost indispensable paper.

We would record our gratitude to our book agents at Nashville, who, because of our request made at last Conference, have again brought their books to the seat of Conference; and would urge that we show our appreciation both during the session of Conference and through the year, by turning our patronage to them whenever practicable. And just here we deem it not amiss to call especial attention to the H. & S. Library which they have put within our reach. These books are neatly bound, printed

on reasonably good paper, written by reputable writers on vital and important subjects, formerly sold for \$1.00 to \$1.50, may now be had for 50 cents the copy. It is a splendid chance for all to furnish a library that will be helpful.

The annual report of the Publishing House was before the Committee and we noted with pleasure the work of increase along all lines. We quote with peculiar satisfaction these words from that report: "The building operations, which have largely absorbed the profits of the business for several years, being now completed, the Book Committee, on recommendation of the agents, have appropriated the sum of \$10,000 to be distributed among the Conference claimants this year."

Respectfully submitted,

J. R. SAVAGE, Chairman.

J. M. FUQUA, Secretary.

REPORT OF COMMITTEE ON TEMPERANCE.

Your Committee on Temperance submits the following report:

The American Saloon is the greatest curse that has ever smitten with shame the fair name of our country. It is the stem around which cluster all the vices of the land. It strikes at the home, the school, the church, and everything that is sacred and good. A stupendous conflict is being waged between the church and this gigantic evil. We note with pleasure the progress that is being made by the agencies that are being used to abolish the liquor curse.

And, Whereas, the Methodist Episcopal Church, South, has been aggressive and always in the front rank of the battle line, in all States and Territories where we have a church;

And, Whereas, she has by her actions and utterances condemned this great enemy, Therefore be it Resolved

First, That we encourage every legitimate and commendable organization having for its end the abolition of the liquor traffic.

Second, That we most heartily commend the Anti-Saloon League for its splendid work, and as it is the agency most feared by the liquor press, its money being spent, its arguments directed to the breaking down of its influence, that we co-operate heartily with the League, that we open the doors of our churches to its representatives, and urge all our pastors to especially do all they can to make the Anti-Saloon League Field Day a success; that we urge our people to speak, pray and vote against this evil.

Third, That we earnestly appeal to our Congressmen and United States Senators to faithfully support the Curtis-Shepherd inter-State liquor shipment bill; and to our own State Senators and members of the House of Representatives to support by all honorable means the extension of the County Unit law to all counties alike and to enact a good search

and seizure law, which will relieve the present difficulty of enforcing the liquor law.

That we nominate Brice M. Goldsborough and Rev. B. F. Chatham as delegates to the National Biennial Anti-Saloon League Convention, which meets at Washington, D. C., in November. That we request the Bishop to reappoint Dr. G. W. Young, Assistant General Superintendent of the Anti-Saloon League of America and that we nominate Revs. W. E. Arnold and M. S. Clark to represent us on the State Board of Trustees of the Anti-Saloon League.

B. F. CHATHAM, Chairman.

T. F. TALIAFERRO, Secretary.

REPORT OF THE COMMITTEE ON ORPHANS' HOME.

We, your committee, would report as follows:

We have had before us the report of the president of our home, and we have also had with us the agent who represented his work. We learn, first, that there are more children in the home now than at this time last year; second, that while there have been some sickness and accidents during the year, none has resulted seriously; third, we are pleased that the children have such good school advantages, and that, as a class, they are making as good records as the children from private homes; fourth, while a number of children have been received into the home, nearly as many have been placed in private homes, and many who have gone out from the institution are proving a credit to the administration.

The matron and her assistants, the agent, the Woman's Board, and the Board of Directors, have all given careful and loving attention to the interests of the home. We are gratified that our agent can report \$4,000 secured in subscriptions for a heating and lighting plant, and that the institution is free from debt.

We recommend, first, that our pastors give the agent an opportunity to represent the work in their charges; second, that all our Sunday schools cooperate, or continue to cooperate by giving the fifth Sunday's collection to the home. The fund so collected has increased every year thus far; third, that we endorse the reelection of Miss L. Y. Nadal as matron, and of E. S. Boswell as agent for the coming year. COMMITTEE ON SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, beg to submit the following report:

The history of the Sabbath is co-extensive with the history of the human family. When God made man and placed him in the garden of Eden, he spent a part of the first Sabbath with him and before leaving declared he had blessed and hallowed it. Through the many intervening years between that time and the journeyings of the Children of Israel in the wilderness it is evident that man kept the Sabbath with more or less imperfections. It was during this time that God gave to man the most marvelous code of laws that any nation ever received. In this code was not only the law forbidding theft and murder, but the law of the Sabbath—co-extensive and co-equal with them. Therefore he who violates God's law of the Sabbath is guilty not only of breaking one law but in the highest since he violates the law of honesty—he steals from God that portion of his time which God has reserved for Himself in the life of every man.

But God has not only written on a tablet of stone the law of the Sabbath; but he has written the necessity of its observance in the physical make-up of every man; so that no longer is the observance of the Sabbath considered a positive command from God, but a moral command, the reasons for which are deeply imbedded in our triune nature; and in the full exposition of our Lord's statement: "The Sabbath was made for man and not man for the Sabbath." It is a sad and significant fact that the nations that have gone down in the past have been the nations that have neglected, rejected and in many instances forgotten God's Sabbath and lest we should fall into the same pit it is high time that we call a halt in

our greed for gain and mad rush for pleasure; for we feel sure that these two sins are connected directly or indirectly with much, if not all, our Sabbath desecration.

We deplore and denounce as an unholy thing and as an unbecoming act in a Christian the going on *Sunday excursions*, the attending of *Sunday base ball*, and in our cities of the Sunday theater, as a competitor of the church. We deplore the necessity of any work that takes from the laboring man his Sabbath, and would call the attention of our people to the fact, that if they would buy their ice and meat on Saturday afternoon or evening that the one will preserve the other.

We rejoice in the invention of the automobile, but deplore the fact that it takes more people from church than it brings to church; and that any of our people should make the Sabbath a day of pleasure—riding in them—instead of a day of worship.

We deplore the fact that grocery stores, drug stores, soda fountains and in our cities saloons are wide open on Sunday and are bidding for our patronage and that in many instances without rebuke.

In view of these facts, Therefore be it Resolved—

First, That our pastors be requested to read these resolutions to each of their congregations and preach a sermon during the year on the Christian Sabbath.

Second, That our people be urged and are hereby reminded that home rule and parental training is very necessary early in life, that we may save our children and the rising generation from being a pleasure loving and Sabbath desecrating generation.

C. C. FISHER, Chairman.

W. L. CLARK, Secretary.

ON PREACHERS' SALARIES.

At our last conference held at Harrodsburg, a resolution was passed and recorded in the Journal, asking the appointment of a Committee of Laymen to investigate the amounts paid our preachers, and to submit some plan by which a more adequate support may be secured.

The Committee was appointed, and they now make this their report:

Our preachers last year were paid in the aggregate the sum of \$74,186.95, which was an increase over the previous year of a fraction over 4 per cent, or an average of \$26.90, for each preacher.

The average paid the preacher was \$645.10. The average paid the preachers in stations was \$1,020; that paid the preachers on circuits was \$519.50. We find that there are twenty-two circuits without parsonages; and that for the preachers of those circuits the average salary is about \$392.32.

We know that all the salaries of the preachers should be increased fully 50 per cent above what they are receiving; and especially the poor

preacher on the poor circuit, and without a parsonage. Some of the circuits are helped by a Missionary appropriation, but those twenty-two circuits without parsonages, are only helped to the amount of \$1300.00, which brings their average salary up to \$452.00. So by the foregoing, you see the amounts paid to our preachers.

To submit some plan by which a more adequate support may be secured is a hard proposition. At first thought, we think the whole of the Missionary Appropriation should be given to the churches, which are paying their preachers but an average of \$392.32, and are without parsonages; but at second thought, we know that it ought not to be taken from those who receive it, for they need it, and should have a .50 percent increase. So therefore after due consideration and thought, the only thing we can suggest, is, that the preacher and the layman take the little pamphlet that Dr. C. F. Reid, the secretary of the Laymen's Movement, has brought here with him for distribution, which he calls, "A Financial Method for Methodists," and carry out to the letter that which you are told therein; and we feel confident that it will solve the problem of the preacher's salary, and all other financial problems of the Church. Let's try it.

Remember that no movement can hope to be successful without the hearty sympathy and co-operation of the preacher, and with his co-operation, the Church Lay Leader, the Missionary Committee, the Every-Member Canvas, a Weekly Offering and the Duplex Envelope, and first of all faith in God, we will have the results.

REPORT OF COMMITTEE ON FURNISHING PARSONAGES.

The Committee for Furnishing Parsonages desires to submit the following report:

We are glad to note that substantial progress has been made along the line of furnishing parsonages the past year. Since this movement began a few years ago some of our charges have put in all the heavy furniture, or have collected the money to do so as soon as the present pastor moves.

This is the year of many moves. Nineteen charges are compelled to have a change, beside the other changes that are made. Suppose that there are fifty preachers that move this year, it will cost each one of them on an average of seventy-five dollars each, or three thousand and seven hundred dollars. This unnecessary waste of money ought to be stopped. The furnishing of our parsonages is the only way to stop it.

We therefore urge all our pastors, laymen and women's societies to bring this matter before all members of the church and see to it that every parsonage in the Kentucky Conference is furnished, and if there are no parsonages to see to it that they are secured and furnished.

The most important thing is to have the kitchen and dining room furniture put in now, especially where a change in pastors is made. Any way, let us put this furniture in first, then have metal bedsteads and springs placed in the bed rooms. Do not accept cast off, second-hand furniture which nobody can use. Have the heating stoves, wardrobes, washstands, etc., wherever needed in the house. By all means let no pastor take down his window blinds.

It is to be deplored that we have but one district parsonage in the entire Conference, viz, Covington, located at Fort Thomas. Let all our district stewards at their next meetings start a movement to secure at once a house for the presiding elders of the other districts.

We recommend the following as the committee for next year: J. R. Savage, M. L. Swetman, C. K. Dickey, B. J. Durham, F. T. McIntyre, Walter Worthington, Alfred Combs, H. C. Wright, J. T. J. Fizer, W. S. Hays, F. B. Jones, W. F. Baumstark, J. G. Crabbe and J. M. McIntire.

MEMOIRS

REV. JOHN REEVES.

Rev. John Reeves, a superannuate member of the Kentucky Conference, died at Pendleton, Oregon, August 21, 1911. He had been in declining health for two years, or more, and suffered much from mental depression. The manner of his death was sad and mysterious, and an explanation of it here would be inappropriate, if it were even possible. He had unusual sorrows and shadows in his life, which, like the manner of his death, we are unable to understand or explain. All persons who have regard for the right will now leave those things to Him who is to be the final judge.

We turn first to his sorrow-stricken wife and children, and offer to them the sympathies of the church and the comforts of the gospel of our Lord Jesus Christ. He was devoted to his family, and they loved him. His grown sons and faithful wife rendered him every possible assistance, and he knew they were still willing and able to help him meet the material demands of the family, and had no cause for discouragement in that matter. This is put here in simple truth and justice, and to correct some erroneous impressions that have previously been made.

Rev. John Reeves was born in St. Louis, Mo., July 10, 1849, and was just entering his sixty-third year at the time of his death. He was the first of eleven children born to Austin and Katherine Reeves. He was baptized in infancy, and converted in Scott Street Methodist Church, Covington, Kentucky, March, 1870. Licensed to preach by the quarterly conference of that church in April, 1871. The following September he was admitted on trial into the Kentucky Conference. He was admitted into full connection two years later and ordained deacon by Bishop H. N. McTyeire. After two years more he was ordained elder by Bishop E. M. Marvin.

His appointments in Kentucky Conference were of all grades, from one of the humblest to many of the very highest. The last eleven years of his ministry, in connection with the Kentucky Conference, were spent in the presiding eldership.

In September, 1902, he was transferred to Columbia Conference and stationed at Corvallis, Oregon. He also served pastoral charges at Weston, Oregon, and Dayton, Washington.

Two years ago his name was transferred back to the Kentucky Conference and placed on the supernumerary list. A year ago he was given the superannuate relation. He never returned to Kentucky after going to the Northwest. During three months of the past spring and summer he served as a supply pastor for the Presbyterian Church in the town of Pendleton, Oregon, where his death occurred.

He was a man of superior ability. He ranked high as a preacher and executive leader in his church. He had clear, intellectual grasp of gospel truth, was evangelical in doctrine and spirit, and was blessed, at times, with conversions under his ministry. He always used clean and graceful English, whether in speaking or writing. He was a master with the pen, as well as with the tongue.

He served the conference for many years as secretary and with conspicuous success.

He was a proud man, and very fearless and independent. He had convictions and was persistent in their advocacy. He did not make friends readily or rapidly, but generally held them when they were once made. He succeeded in arousing personal antagonisms, and even making some enemies. But his opponents gave him credit for having true courage. He had great self-possession, even under the most trying conditions.

He was twice married, first to Emma DeGaris, of Georgetown, Ky. Four children were born of that union, three of whom survive: DeGaris Reeves, of Vancouver, Washington; Walter Reeves, of Seattle, Washington, and Austin Reeves, of Winchester, Kentucky. His wife died in July, 1891.

He was married again June 24, 1895, to Mae McCormick, of Shelbyville, Kentucky, who survives him. Of that union there are three children: Katherine, eleven; John, aged seven, and George, six.

His son DeGaris accompanied the mother and three younger children on the long trip to Shelbyville, Ky., where the body was brought and laid to rest in the beautiful cemetery there. Funeral services were conducted by the writer, assisted by Rev. H. G. Turner, at the home of Mr. and Mrs. McCormick, parents of Mrs. Reeves. Many sorrowing relatives and sympathizing friends were in attendance. The picture of that brave, true, suffering woman, and the three bright children, on that occasion, would have commanded sympathy and respect from even one whose heart was made of stone.

E. G. B. MANN.

MRS. SUSAN MARY FERGUSON HUMPHREY.

Mrs. Susan Mary Ferguson Humphrey was born June 23, 1844, at Milburn, Ballard County, Kentucky. She was the daughter of Thomas and Jemima Ferguson, who were intelligent, prosperous and devout Methodists, as were also her grandparents, by whom the land was given on which one of the first Methodist Churches in that State was built. She was happily converted at the age of 13 years, united with the church at Milburn, and was thenceforth a devout Christian, "adorning the doctrine of God our Savior" while at school and as she grew to young womanhood.

She was married to the Rev. C. H. Humphrey December 11, 1866, and became to him a most devoted and helpful wife, blessing him all the days of her life. She became the mother of seven children, six of whom survive her, the eldest, Thomas Eugene, having died in infancy. The living are: W. O. Humphrey, M. D., Louisville, Ky.; Rev. C. A. Humphrey, Elizabethtown, Ky.; Mrs. W. G. Subtlett, Muscogee, Okla.; Mrs. F. B. Jones, Berry, Ky.; Mrs. J. V. Cockran and Miss Mamie Humphrey, Morehead, Ky. She was the embodiment of economic housewifery. Painsstaking in rearing her children, and deeply concerned for their education and success in life, above all desiring that they should be sincere and consecrated Christians.

She was faithful in all Christian duties and active in the work of the Sunday school, the prayer-meeting, and the missionary societies, and always, unless imperatively hindered, filled her place in the congregation at public worship. She entered upon the larger experience of grace, sanctification, in January, 1889, and gave bright and joyous testimony to its reality throughout all her subsequent life.

A number of years back she had a remarkable answer to prayer, and for years observed Sunday as a day of fasting, as a memorial of the Divine goodness and to claim the constant fulfillment of the Divine promises with respect to fasting and prayer. When her son Charles was leaving his home for his first pastoral charge, she said to him: "Remember, my son, that every Sunday morning at 11 o'clock your mother will be praying for you."

She had been quite frail for about a year before her last sickness, which lasted eighteen days—a form of heart trouble. Her last Sabbath on earth was given to much earnest concern about the Master's work. "Asking, planning, suggesting and submitting all into the hands of God. She was ready and had premonition of approaching dissolution." She fell gently asleep February 13, 1911.

The funeral services were conducted by the writer, assisted by the resident ministers of Morehead and a visiting Baptist evangelist. The remains were then taken to Louisville for interment at Cave Hill. Brother Humphrey and his children have the warmest sympathy of many loving friends in their great bereavement, and who at the same time "rejoice with them in the consolation." For Sister Humphrey's life was so lovely in its saintliness and so useful in its activities, that to her, beyond ques-

ton, was granted an "abundant entrance into the everlasting kingdom of our Lord and Savior Jesus Christ." In God's own good time there will be a blessed reunion upon the further shore.

E. L. SOUTHGATE.

MRS. MORRIS EVANS.

The subject of this brief sketch, Mrs. Helen Younger Evans, was born in Missouri, in January, 1834. In 1858 she was united in marriage to Rev. Morris Evans, with whom she shared the toils and privation of the itinerancy for forty-seven years. Dr. Evans died in 1905. To them was born one child, Dr. Harry Evans, who died in 1898.

Dr. Morris Evans was, for many years, a member of the Kentucky Conference, holding a very prominent place among us and filling some of our most important charges. His last work with us was in connection with the Millersburg Female College, of which he was president. In all these labors his devoted wife stood loyally by him, entering heartily into all his efforts to advance the Master's cause. She was kind and generous, always delighting in doing something for others who needed her assistance. Her daughter-in-law, with whom she spent the last years of her life in Texas and Louisville, writes me that it was a great grief to her when her husband was compelled to superannuate; that "she was devoted to her Kentucky Conference friends and often spoke with pleasure of them and of her life among them." The last five years of her stay on earth she was an invalid. She died in Louisville, Ky., April 4th, 1911, and was buried beside her husband and son at Harrodsburg, Dr. J. H. Young officiating at the funeral.

LOCATION

Kentucky Wesleyan College is located in one of the most progressive towns in the famous "Blue Grass Region." The health record of the town and College is phenomenal. There has been practically no sickness in the College for years.

BUILDINGS

The plant includes three buildings, situated upon eight acres of the highest land in the city. The Administration Building is one of the handsomest and best equipped buildings in the State, heated by steam, lighted by electricity, and containing an auditorium which seats 1,000 people, together with complete laboratories, baths, gymnasium, etc. Clark Hall, the dormitory, accommodates about 50 young men who live as a large family under the supervision of a member of the faculty. The entire building is heated by natural gas and lighted by electricity. The Academy is a beautiful modern structure which is large enough to accommodate about 100 pupils. Within a year we expect to have a \$30,000 Carnegie Library on the campus.

Social Stationery

Ask any five persons where to go for wedding and reception stationery that will be faultless in every detail, and at least three will say, "Transylvania, of course," without any hesitation.

There is the main point to our remarkable reputation in this matter of engraving. We *do* know all about it, and everyone in this part of the country knows that we do.

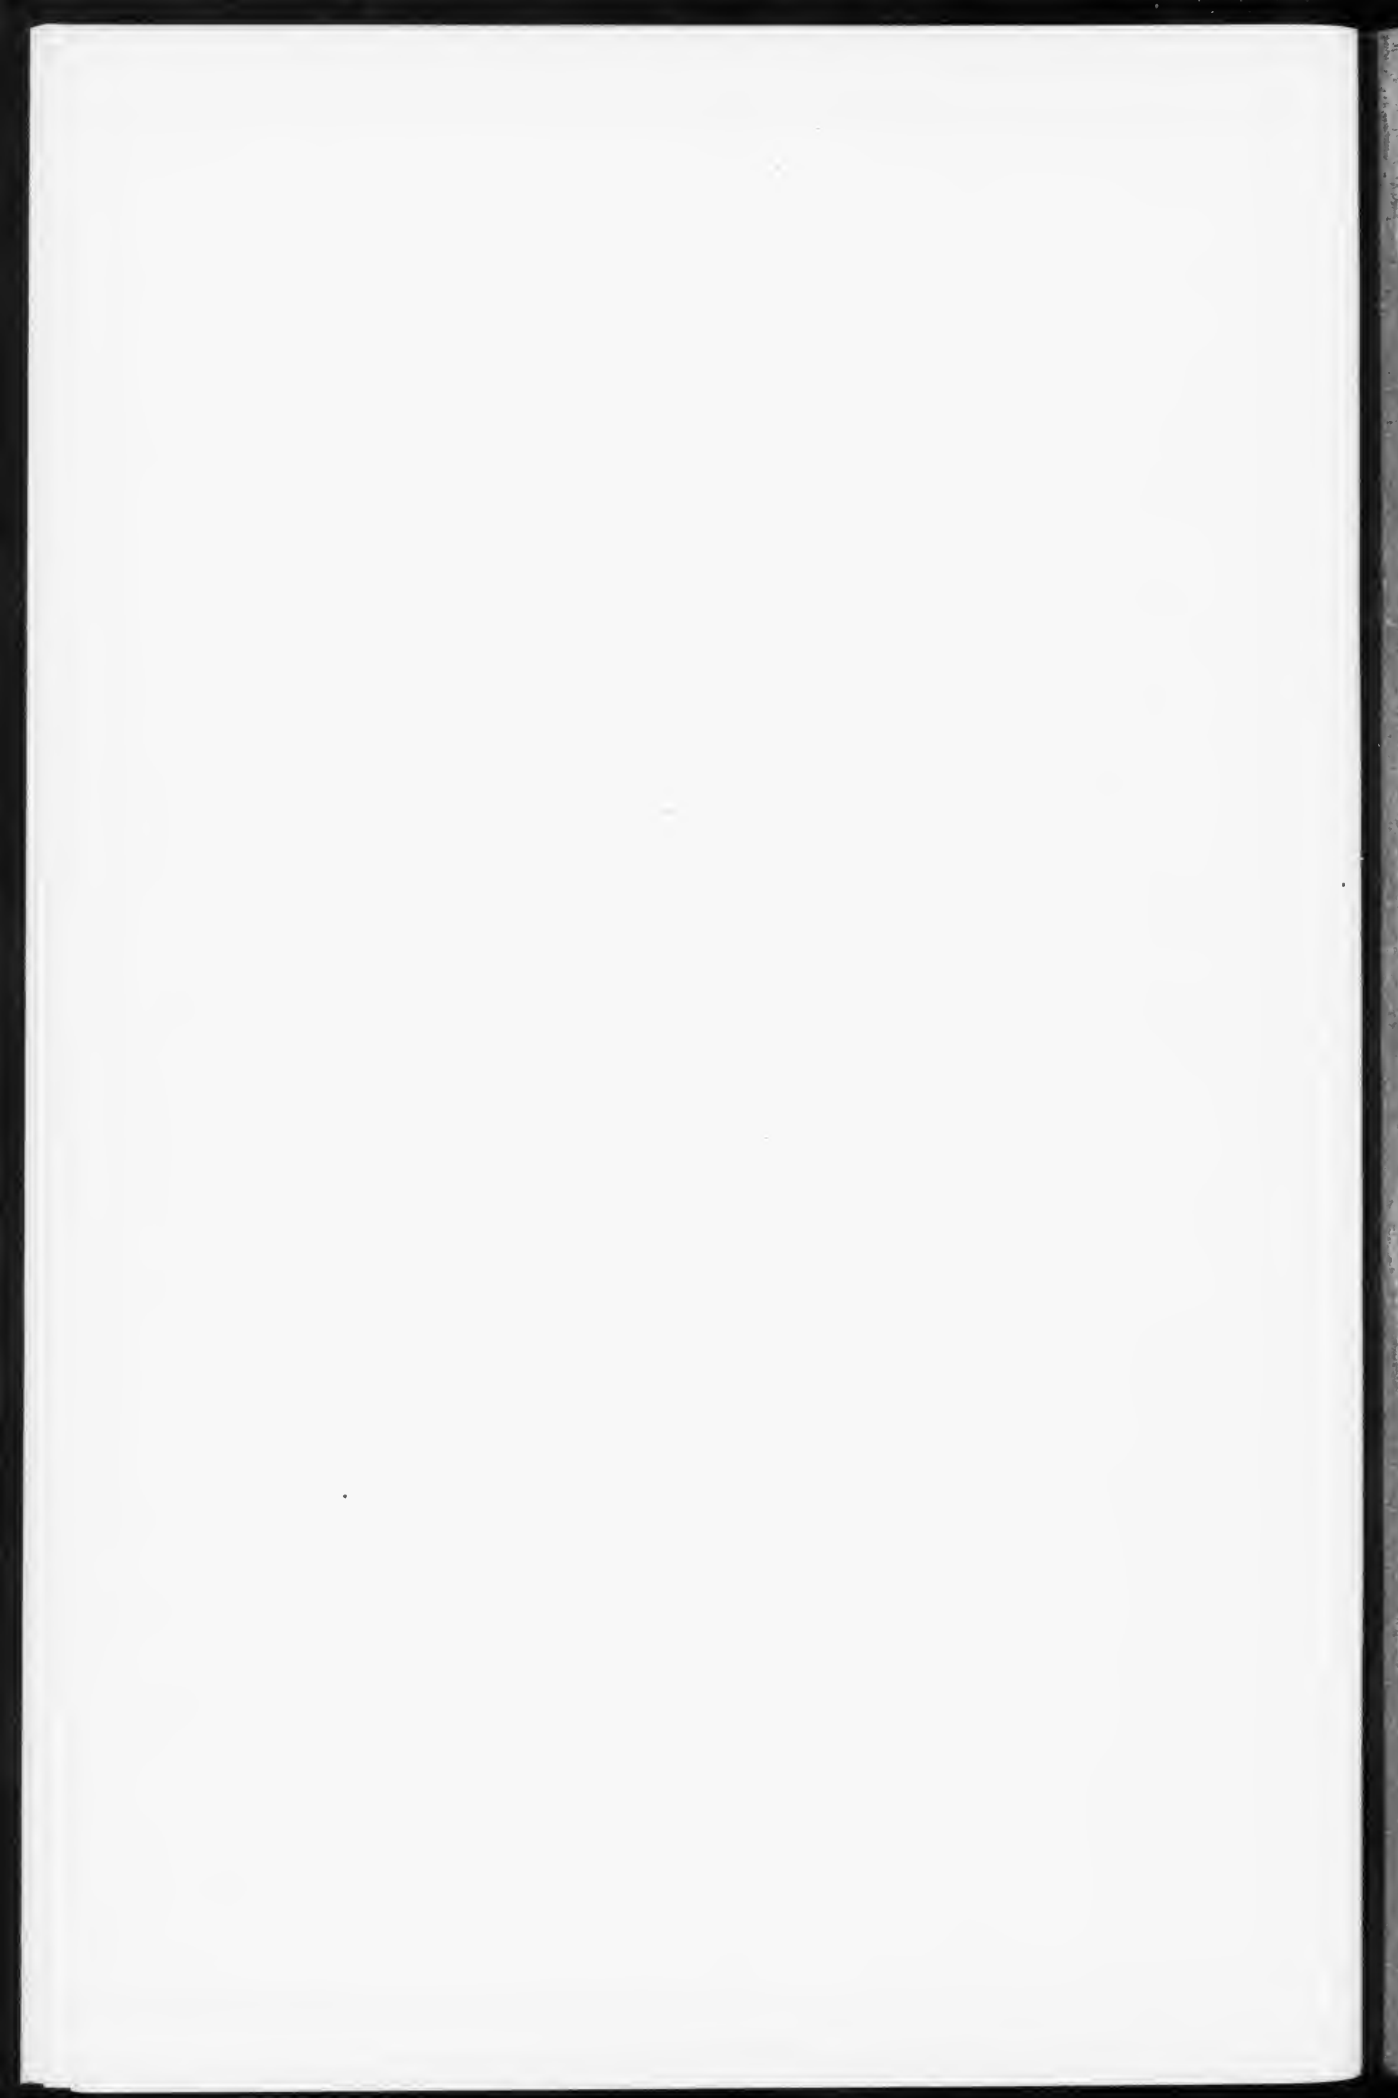

As a matter of actual fact we have engraved the cards and invitations for most of the "prominent" weddings in Central Kentucky of the last quarter of a century. Necessarily we must be familiar with every variation of style, every shade of expression that represents the fashionable preference of the moment.

If you are interested in the arrangement for an approaching wedding, we would like to confer with you about the stationery. We can easily show you why we make these claims so confidently.
